## Part–A

General Awareness .....	1–48
Current Affairs .....	1–16
General Science .....	1–16
General Intelligence and Reasoning Ability .....	1–48

## Part–B

### Electronics and Telecommunication

1. Applied Physics.....	3–78
● Objective Questions.....	43
2. Basic Electricity .....	79–124
● Objective Questions.....	103
3. Instrumentation and Measurements .....	125–164
● Objective Questions.....	144
4. Engineering Materials and Electronic Devices .....	165–205
● Objective Questions.....	183
5. Electronic Analog Circuits .....	206–248
● Objective Questions.....	234
6. Digital Techniques .....	249–269
● Objective Questions.....	260
7. Communication and Television Engineering .....	270–314
● Objective Questions.....	301
8. Control Systems and Industrial Electronics .....	315–335
● Objective Questions.....	323
9. Computer Science and Information Technology .....	336–391
● Objective Questions.....	364
