## **Preface to the First Edition**

---

I have great pleasure in presenting this book before the aspirants of the Judicial Services examinations conducted by various State Public Service Commissions/High Courts. This piece of work has been written to meet the requirements of the candidates appearing for Judicial Services examinations. This book is a one stop solution for both the Preliminary and Mains examination of the Judicial Services. This book would enable the readers to acquire a complete and detailed understanding of the legal concepts/principles. It covers all the dimensions of the subjects.

An attempt has been made to make the contents of the book relevant, up-to-date and authentic by referring to the updated Bare Acts. I welcome all the constructive suggestions from the readers of this book to make improve it further.
