PREFACE

All India Bar Exam was conducted for the first time on March 6, 2011 by the Bar Council of India to lay down the qualification of the advocates for practicing law. After successfully clearing AIBE, the candidates are awarded Certificate of Practice which is the permanent qualification to practice law before any Court they are enrolled in.

The key idea behind writing this book is to provide the knowledge to all the candidates on how to use the Bare Acts successfully to clear the exam. AIBE is an open book exam where the Bare Acts without comments are allowed. This book will help the candidates to learn different ways in which different questions can be answered by the help of the Bare Act and how they can reach the correct answer in the Bare Act. Along with this, the book also covers previous years' questions and the entire syllabus of the All India Bar Examination. The level of difficulty of the exam has been kept in mind while preparing this book.

Salient Features of the Book :

1. Covers the entire syllabus of the exam.
2. Strategy to use Bare Act in exam to solve questions.
3. Solved Previous Years' Questions (AIBE X- AIBE XVII).

—Author

Contents
